Specials for Friday and Saturday

We've been selling goods right along this week. Everything going nicely. New people come in every day to see if we're keeping our word and living up to our advertisements. Others phone us their orders and are delighted when the goods are promptly delivered at their homes. Now, Friday and Saturday you can buy the finest Fresh Pork Loins, that will weigh from 8 to 14 pounds each at 11c a pound. You know how much more than that you have to pay elsewhere. There has been so much call for Hams at 12 1/2c a pound that we're going to continue to sell them at that price a week or two longer. We ought to tell you, too, about that fresh green stuff--Lettuce, Celery, Radishes, etc., we'll have in by Friday. Then we've got some exceptionally fine Apples for this time of year, nice big red Bettrels that we're getting 40c a peck for, and they're going pretty fast at that price. Anything you want in our line we would be pleased to sell you and, if you wish, we'll deliver it anywhere in the city.
